Exercise I

Objective: Create a signature visual language.

Materials:
Object
Drawing compass
Ruler
Pencil
Paper
Stencil material
Stencil cutter

Steps:
1. Choose an object that represents You.
2. Use measuring tools to break that object into $\geq 50$ shapes.
3. Draw those shapes out and tightly reorder their composition.
4. Remove all details from the composition. Leaving only basic shapes.
5. Create two stencils from your composition.
6. Mirror the stencils at $180^\circ$ and draw out the interlocking shapes.
7. Repeat step 6 at a $45^\circ$ and $90^\circ$ angles.
